This Health Career Academy is supported by the Administration for Children and Families (ACF) under Grant No. 90FX0043 of the U.S. Department of Health and Human Services (HHS). The information/content and conclusions are solely the responsibility of the authors and should not be construed as the official position or policy of, nor should any endorsements be inferred by HHS or the U.S. Government. HPOG is a study funded by the federal government which is being conducted to determine how these training opportunities help people improve their skills and find better jobs. During the study, all new eligible applicants will be selected by lottery to participate in these training opportunities. Not all eligible applicants will be selected to participate in these opportunities.
