

Financial Literacy SEMINAR

Sponsored by

Retail Career Academy

» A WorkPlace Opportunity.

You are invited...

THE RETAIL CAREER ACADEMY

promotes career pathways to help unemployed and underemployed workers find jobs in the retail industry.

Learn to become more financially stable.

Financial literacy is essential when recovering from unemployment and managing a household income which may be less than prior years.

NO COST TO ATTEND. At this seminar.... you will learn the importance of developing personal spending and savings plans and how to handle your credit wisely.

Topics covered:

- Reviewing and analyzing credit reports
- Preparing budgets
- Tools that will help you gain control of your finances

Monday, December 18, 2017
