

JOB OPENING

Job Title: RETENTION SPECIALIST
Department: Operations
Reports To: Vice President, Reentry Programs
Classification: Non-Exempt
Location: Connecticut

SUMMARY

The Retention Specialist will maintain regular contact with customers who receive services through the reentry program. The Retention Specialist will follow-up with customers regarding employment and make referrals to assist these customers in obtaining and maintaining employment.

ESSENTIAL DUTIES AND FUNCTIONS include the following. Other duties may be assigned.

1. Meet with customers participating in services to evaluate current skills, establish employment goals and identify additional services needed to reach those goals. Make referrals to services that will help them further their employability.
2. Enter data to record referrals, activity start/ end dates, case notes describing challenges and/or progress, and update employment information.
3. Maintain close contact with customers who are not currently in training or active job search. Utilize all methods (including social media) to pursue information regarding current status.
4. Recommend case closure for customers who are successfully employed or those who are no longer accessible or willing to participate.
5. Address barriers to work (i.e., transportation, housing, childcare, family issues) through intervention and referrals.
6. Develop individual support and retention plans for each participant; follow program graduates for 2 years post placement.
7. Provide on-going individual and group case management and career advancement strategies to participants.

8. Develop and arrange workshops, classes, and events for program alumni.
9. Maintain linkages with supervisors and solicit feedback about participants' work
10. Follow-up all closed cases quarterly for one year after exit, update outcomes.
